FARMINGTON, Conn., February 28, 2007 – TRUMPF has named Chaparral Machinery as the new machine tool distributor for northern Texas and New Mexico. Chaparral Machinery will represent TRUMPF's line of fabricating machinery in northern Texas and New Mexico. Lynn Moore will continue as the TRUMPF Inc. regional manager serving the area.

TRUMPF is one of the world's largest producers of fabricating machinery and the market leader in lasers used for industrial production. The company's technologically-advanced products include laser-cutting machines, CNC punching machines, press brakes, and laser marking systems.
