FARMINGTON, Conn., March 23, 2007 – TRUMPF's Laser Marking division presented an award of sales achievement to GOSIGER Southeast at its annual distributor meeting.

GOSIGER Southeast (Ocoee, Florida) was presented with the Outstanding Distributor Performance Award in recognition of their exceptional performance in selling TRUMPF laser marking products during the past fiscal year.

GOSIGER Southeast represents TRUMPF's line of laser marking systems in Florida and Puerto Rico. A leader in the field of laser marking, TRUMPF introduced their first diode-pumped laser marker in 1997. Today, more than a thousand TRUMPF marking lasers are in use worldwide and TRUMPF has become the leading manufacturer in the diode-pumped laser market.

###

TRUMPF is one of the world's largest producers of fabricating machinery and a world market leader in lasers used for industrial production technology. Additional company information is available at: www.us.trumpf.com
